

## Safety Alert

### Ballistic Goggles Work OIF SA-004

While on patrol, this Soldier's convoy was struck by an IED which launched shrapnel toward the vehicle. Protective gear saved this Soldier's eyesight and prevented serious injury.

**BALLISTIC GOGGLES SAVE LIVES;**

**THE LIFE SAVED COULD BE YOURS!**

He later discovered that his eye protection stopped a piece of shrapnel from hitting his face. Shrapnel is embedded in the lens instead of his eye which could have caused blindness.
