SOLDIERS  
FAMILIES

- Be prepared: Know your camping area. Check weather conditions. Wear proper clothing for the weather.
- Water: Bring your own water or water filter for drinking.
- Animals: Never handle, feed or attract wild animals.
- Campfire: Dig a small pit for fire. Clear a five-foot area around the pit down to the soil. Never leave a campfire unattended.
- Have a written plan of activities, area map, emergency phone numbers, locations of medical assistance, lodges and park rangers and leave a copy with someone at home.
