

# ELECTRICAL SAFETY

Is your property safe when you leave your Billeting Quarters?

## Fire Safety Tips to follow before you leave your Billeting Quarters

### REMEMBER TO:

- Set your Air Conditioner on a low fan/cool setting
- Turn off your lights and TV
- Unplug all non-essential devices i.e.
  - Hair Dryers
  - Laptops
  - Game Systems
  - Re-Chargeable Items
  - Etc...
- Turn off power strips in not in use
- Plug Refrigerators directly into wall outlet, NOT into power strips
- Practice good housekeeping; keep your room neat and organized
- Keep all items: bed, Linen, boxes, etc. a safe distance away from electrical outlets

### DO NOT:

- Use Non-Approved devices and Power Strips
- Daisy Chain power strips (plugging one Power Strip into another)
- Use Hot plates

**Fire Safety is Everyone's Responsibility!**
