

gear UP! FOR HUNTING

- Always treat a weapon like it's loaded.

- Never point a firearm or bow at anything you do not intend to shoot.

- Control the direction of the muzzle at all times. Never rest a muzzle on your toe or foot.

- Keep your finger out of the trigger guard until the instant you are ready to fire. Always keep the safety on until you are ready to fire; however, the safety should never be a substitute for safe firearm handling.
