

SOLDIERS LEADERS CIVILIANS FAMILIES

Take 5

Before Driving
Distracted

- To save your behind, watch what's ahead.
- Drive time isn't downtime for eating, grooming or calling.
- Keep your hands on the wheel and your mind on the road.
- Pull over if you need to answer the phone or adjust your GPS.
- Driving deserves your attention — you only have one life to lose.

Take 5 ... then take action.
