- Make sure your home is secured
- Carry traveler's checks instead of cash
- Learn about your vacation destination before you arrive
- Be sure to lock your room at your lodging place
- If driving, check your car or have it serviced before any long trip
- Pack an emergency road kit
- Make sure your child safety seats and booster seats are properly installed
- Be sure to pack your bike helmets if you plan to bring or rent bikes
- Review safe pedestrian practices with children
- Have a planned meeting site in case someone gets lost
