

He's using the most reliable weapon a Soldier can own.

It isn't a rifle. It isn't a pistol. It's not even a knife. It is knowledge; knowledge that can empower you to be the best at what you do.

Through the Combat Readiness Center (CRC) and a collection of composite risk management tools, practices, and assessments, you can learn to be more aggressive by making better-informed risk decisions.

Knowledge is the most reliable weapon you can own.

Engage it to the fullest.

OUTSMART THE ENEMY

Knowledge is your greatest weapon.

Need more ammo?

No, we're not talking bullets. We're talking knowledge; knowledge that can turn your mind into the most powerful weapon against the enemy.

Through the Combat Readiness Center (CRC) and a collection of composite risk management tools, practices, and assessments, you can learn to be more aggressive by making better-informed risk decisions.

When you need more ammunition, look to the CRC.

We'll give you more firepower than you ever thought possible.
